Dear Parents & Carers,

I am delighted and honoured to be appointed the new Headteacher at St Clare's Primary School, and I am keen to get to know all members of the school community: parents, pupils and staff alike.

Having worked in an outstanding Catholic primary school for the last seven years, I know that a successful and happy school depends on all of us working together in partnership.

I am very much looking forward to finding out more about the school so that the changes we make in this new chapter are supported by the whole school community. Your ideas and feedback will always be valued. I went into teaching to improve the life chances of the pupils, so you can be assured that everything I do will be with the best interests of the children at its heart.

Parents make an important contribution to their children's achievements at school, and I want to further develop the relationship between the school and parents for everyone's benefit.

Unfortunately, due to the pandemic, I am currently unable to hold events where we can meet each other properly. However, I am contactable through the school email address or by phone and I will usually be at the school gate each morning and afternoon.

Finally, I would like to thank all the parents and carers who followed our one-way system on Convent Drive this morning. This meant that all children were able to enter the school smoothly and safely.

With kind regards,

Mrs Judy Beer

Headteacher
