

St Clare's Primary School

Weekly Newsletter

4th September 2020

Welcome back!

It has been fantastic to have the children back in school this week!

They have all settled in well and have adapted to the new school rules and procedures we have put in place to keep everyone safe.

We would like to thank parents and carers for their support with social-distancing both on Convent Drive and in the playground at home time.

New staff members

We are delighted to introduce the following staff members as new additions to the St Clare's family:

- Mr Smith – premises officer
- Mrs Cassidy – teaching assistant
- Mr Mitchell – sports coach

They have all quickly become valued members of the staff team and we know the children, staff and parents will make them feel welcome.

Thank you, Mr Bexon!

We wish to pass on our regards to our former premises officer Mr Bexon who retired at the end of August. We thank him for his years of service to St Clare's and wish him a happy retirement.

RE Newsletter

Please find attached the RE Newsletter for the Advent term. This contains all of the topics the children will be learning about, along with key dates in the Liturgical Calendar.

There are also ideas of how you can support your child at home with their religious education.

PE Lessons

Full PE lessons will begin next week, so please make sure that your child has their PE kit in school. Details of what items your child will need can be found on our website. Please see Class Dojo for details of which days your child will be doing PE:

Supporting our local community

Please can we remind parents and carers to park considerately when dropping off and collecting children. If possible, please walk or cycle. Also, with a lot of children around, it is important that we keep everyone safe by driving at a sensible speed. Your support is very much appreciated.
