

Sports Ambassadors

This is a new scheme which we are introducing at St Clare's, which is driven with the purpose of empowering keen individuals to learn fundamental skills involved with coaching, mentoring and supporting their classmates in sports. Two ambassadors will be chosen from each year group.

Ambassadors will be chosen based on their attitude to learning, exemplary behaviour and willingness to support classmates with anything sport related.

Our new sports coach Mr Mitchell has instigated this new initiative and he will be announcing the ambassadors for each class during PE lessons.

Scones for MacMillan

A huge thank you to everyone who ordered a scone – or several scones! – in support of our Scones for MacMillan initiative.

Mrs Palmer spent all morning baking with the delicious smell drifting down the corridors!

In total, your incredible generosity raised £180 for MacMillan – thank you!

Attendance

We have been very pleased with the attendance figures so far this year. If children are not in school, they miss out on the amazing lessons their teachers plan for them, spending time with their friends and enrichment opportunities. The national target for attendance is 97% and, last week, the attendance at St Clare's was 98.4%! Well done everyone!

Steel Pans and Ukuleles

Our wonderful Year 4 children have begun to learn how to play the steel pans this week and our lucky Year 2 pupils had their first play of the ukuleles!

These enhancement experiences are very important in broadening the horizons of our pupils and we can't wait to hear their compositions!

Covid-19 Precautions

Thank you to everyone who has followed the one-way system, has worn a mask and has exercised social distancing at pick up times. When in the playground, please keep all of your children close to you to prevent mixing. During this time of increased cases nationally, we must all be extra vigilant in order to keep our school community safe.
