We know that, with the current pandemic, your family circumstances may have changed.

We also know that as children up to Year 2 already receive Universal Free School Meals, that you really don't see the point in applying.

We appreciate that you want your child to have a packed lunch, so you think there is no need to apply.

However, by signing up for free school meals, you are ensuring that your child gets additional benefits, such as subsidised trips and free wrap around care AND extra support and resources in school! It's not all about school meals!

You can apply if you receive any of the following:

- Income support
- Income-based jobseeker's allowance
- Income-related employment and support allowance
- National asylum seeker support
- Child tax credit (provided you're not also entitled to working tax credit and have an annual gross income of no more than £16,190)
- The guaranteed element of state pension credit
- Working tax credit run-on - paid for four weeks after you stop qualifying for working tax credit.
- Universal credit with annual net earned income of less than £7,400

I haven't signed up for free school meals because my child gets one anyway as they are in Reception, Year 1 or Year 2.

It is important that you still sign up so that your child receives free Breakfast Club and After School Club (until 4:15pm), subsidised trips and visits and enhanced learning opportunities. St Clare's will not receive any additional funding unless you register.

I'm not applying as it will affect my benefits.

Receiving free school meals does not affect your benefits.

I don't want my child to have a school dinner – I would rather send them in with a packed lunch.
