Half Term

After seven weeks of hard work, our pupils and staff are very much looking forward to the half term break. We hope that you all have a fantastic week with your children.

School is due to reopen on Monday 26th October. However, at these uncertain times, there is the possibility that things could change. Therefore, please keep checking Class Dojo, Twitter and the school website for any updates.

Remembrance Poppies

As in previous years, we will be offering our pupils and parents the opportunity to purchase items to support the British Legion's Poppy Appeal.

A range of stationery, along with the traditional paper poppies will be available from the school office. Full details of these items and when they will be on sale will be sent out after half term.

Sadly, this year's Remembrance Parade has been cancelled.

Parents' Evenings

Our Parents' Evenings will be held by video call this year. In order to keep our school community safe, face to face meetings are simply not possible, but we wanted to make sure that you had the opportunity to talk to your child's teacher about your child's progress to date. We know this is not ideal, but it is the best we can do within the current restrictions.

These video calls will last for ten minutes and will automatically cut off when that ten minutes ends.

Parents' Evenings will take place on Tuesday 3rd November and Thursday 5th November.

Details of how to book your appointment(s) will be sent out after half term.

Reading books

The school has invested in a large number of new reading books for the children. Reading underpins success in all other curriculum areas, so it is very important that children have good reading resources. Some of these have been made available to KS1 today, with others being released over the coming weeks.
