

## Thank you!

We hope you found this week's virtual Parents' Evenings informative.

Once again, we trialled some new technology in order to provide you with the best possible experience available to us in the circumstances.

The feedback has so far been extremely positive despite the inevitable small number of technical hiccups. We will continue to try to keep as much normality in the school calendar as we can, whilst adapting the way we work to comply with safe working practices. Your continued patience and support is very much appreciated.

## Poppies

A quick reminder that we have poppies and other items for sale in the school office in support of the British Legion's Remembrance Day Appeal.

The full list of items, along with suggested donations, can be found under "Newsletters" on our website.

## All Souls

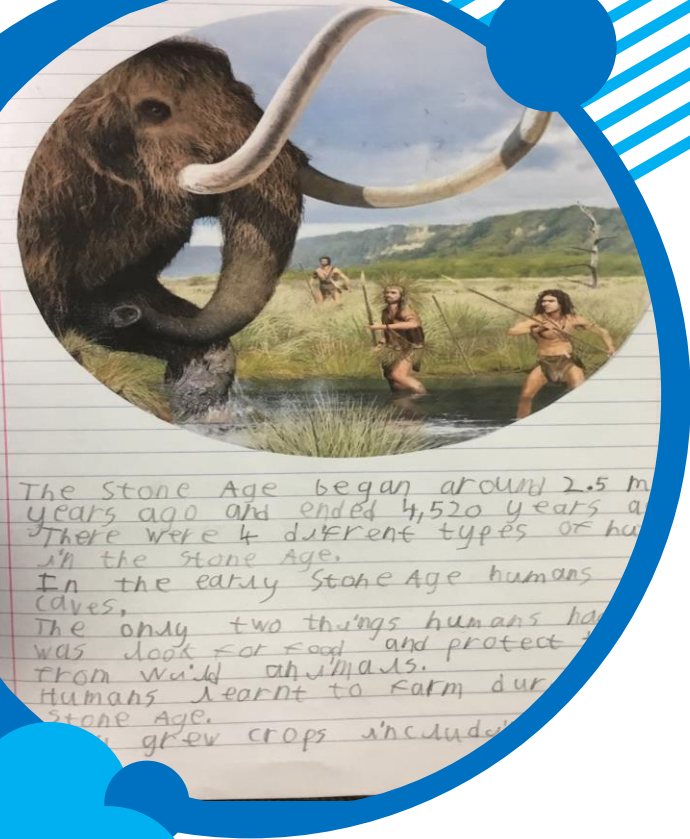

We would like to thank Father Gabriel for leading our All Souls' Mass on Tuesday from St Wilfrid's.

At this difficult time, we are deprived of going to church, but thanks to technology, we were able to once again come together as a school community.

Our School Chaplains have gathered together the names of the departed which you have sent in, and are ensuring that everyone is remembered during the month of November by updating our remembrance prayer table.

If you have anyone you would like us to pray for, please send their names into school.

## Remembrance Book

Please send into school the names of any members of the Armed Forces who have given their lives for their country to go into a Remembrance Book which will form a part of our Remembrance Liturgy. Please also complete the poppy your child has brought home and return it to the box at the school gate when complete.
