## Happy New Year!

The Christmas holidays may feel like a long time ago already, but the staff at St Clare's wish all of our families a happy, healthy and safe 2021. There is light at the end of this dark tunnel we are in (the vaccine), so let's focus on that light of hope.

## Home Learning

We all know that home learning is a challenge. However, this week, most of our pupils have submitted work which is fantastic and a credit to both our children and to you, our parents. In the next few days, you will receive a letter outlining the expectations for home learning.

The main message is that school is not closed! Children are still completing the same work whether at home or at school. It is not optional and teachers will be chasing up work from pupils they have not heard from. The same applies to live lessons. Your child should attend these to receive instruction from the teacher.

## Epiphany Liturgy

Thanks and congratulations go to our Year 1 staff and the Year 1 children we have in school for the beautiful Epiphany Liturgy on Wednesday!

They told the story of the Three Kings magnificently with their costumes, words and actions.

With just one day to rehearse, they spoke clearly and gave us something which truly warmed our hearts. Thank you.

All of the doors in school are now adorned with the blessing from the Epiphany prayer.

We hope you managed to join us or have watched it since, following the link sent out on Class Dojo.

## Stars of the Week

During lockdown, each class will be awarding two Stars of the Week – one to a pupil in school and one to a pupil working from home. Certificates will be posted out to those at home. We have some shiny new ones, so look out for them!
