Dear Parents and Carers,

We are delighted that you have chosen St Clare's as your child's primary school.

In order to welcome you into the St Clare's family, we are inviting you to attend a new parents meeting on Tuesday 22<sup>nd</sup> June at 3:45pm. This will give you a chance to meet the staff, to see your child's classroom and to ask any questions you may have.

There is a lot of information included with this letter:

- A data form which must be completed with details about family contacts, medical and dietary needs and other important information. We have enclosed a stamped addressed envelope for you and would be grateful if you can send it back as soon as possible.
- NHS information about medical appointments that will happen when your child starts school.
- School uniform requirements and our approved suppliers.
- A getting ready for school checklist so that you can best prepare your child for school over the summer.
- Our parent information booklet which covers frequently asked questions.
- A pupil booklet to share with your child and images of the classroom and other key areas around the school.

In addition, we are creating a page on our website especially for our new Reception families: <https://www.st-clares.leics.sch.uk/parents/eyfs-new-starters-september-2021/>. We will be adding information to this page over the coming weeks.

On this page, you will find additional information:

- A parents' meeting presentation
- Information about opportunities for teachers, parents and children to meet in person
- Video messages from key staff members
- Additional useful information leaflets

Please note that all dates are provisional and may need to change subject to government advice.

If you have any further questions, please contact the school office.

We look forward to welcoming you to St Clare's in person.

Yours sincerely,

Mrs Palmer and Mrs Lees

Reception Teachers
