	That God is love: Father, Son and Holy Spirit						
Come and See (RE Programme)		The love and care shown in the family My family loves me. There are special people in our lives who are there to help us The love and care shown in the family		The joys and sorrows of being a family at home God's vision for every family within the home Parents and children should love and respect one another, as God wants them to do			

## Personal Development at St Clare's Primary School

Sex Education – By Year Group							
	EYFS	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Life to the Full (RSE Programme)	To know they are entitled to bodily privacy That they can and should be open with 'special people' they trust if anything troubles them				<p>Learn what the term puberty means; Learn when they can expect puberty to take place; Understand that puberty is part of God's plan for our bodies. Learn correct naming of genitalia; Learn what changes will happen to boys during puberty; Learn what changes will happen to girls during puberty That they were handmade by God with the help of their parents; How a baby grows and develops in its mother's womb including, scientifically, the uniqueness of the moment of conception;</p>	<p>We were created individually by God who cares for us and wants us to put our faith in Him. Physically becoming an adult is a natural phase of life. Lots of changes will happen during puberty and sometimes it might feel confusing, but it is all part of God's great plan and the results will be worth it! That human beings are different to other animals; About the unique growth and development of humans, and the changes that girls will experience during puberty; That human beings are different in kind to other animals;</p>	<p>How a baby grows and develops in its mother's womb. Basic scientific facts about sexual intercourse between a man and woman; The physical, emotional, moral and spiritual implications of sexual intercourse; The Christian viewpoint that sexual intercourse should be saved for marriage. *Optional. See your Programme Coordinator About the nature and role of menstruation in the fertility cycle, and that fertility is involved in the start of life; Some practical help on how to manage the onset of menstruation.</p>

## Personal Development at St Clare's Primary School

					<p>How conception and life in the womb fits into the cycle of life; That throughout their lives human beings act at three integrated levels: physical, psychological and spiritual. To judge well what kind of physical contact is acceptable or unacceptable and how to respond;</p>	<p>About the unique growth and development of humans, and the changes that boys will experience during puberty; Understand what consent and bodily autonomy means; Discuss and reflect on different scenarios in which it is right to say 'no'. To judge well what kind of physical contact is acceptable or unacceptable and how to respond.</p>	
Science			<p>I know that animals, including humans, have offspring which grow into adults. I know the basic stages in a life cycle for animals, including humans.</p>			<p>I can describe the changes as humans develop to old age.</p>

	emergency situations, as well as whilst waiting for an ambulance						
Science		I can identify, name, draw and label the basic parts of the human body and say which part of the body is associated with each sense.	I can find out and describe the basic needs of animals, including humans, for survival (water, food and air). I can describe the importance for humans of exercise, eating the right amounts of different types of food, and hygiene.	I can identify that animals, including humans, need the right types and amount of nutrition, and that they cannot make their own food; they get nutrition from what they eat. I can identify that humans and some other animals have skeletons and muscles for support, protection and movement. I can recognise that light from the sun can be dangerous and that there are ways to protect their eyes.	I can describe the simple functions of the basic parts of the digestive system in humans. I can identify the different types of teeth in humans and their simple functions.		I can identify and name the main parts of the human circulatory system, and describe the functions of the heart, blood vessels and blood. I can recognise the impact of diet, exercise, drugs and lifestyle on the way their bodies Function. I can describe the ways in which nutrients and water are transported within animals, including humans.
PE		Talk about what our bodies do during exercise e.g. breathing. Understand that being active is

## Personal Development at St Clare's Primary School

British Values* - Whole School	
Democracy	<p>Pupils are listened to by adults and are taught to listen carefully and with concern to each other, respecting the right of every individual to have their opinions and voices heard. Pupils also have the opportunity to air their opinions and ideas through our School Council and regular questionnaires and pupil voice interviews with different members of staff:</p> <p>The elections of the School Council members are based solely on pupil votes, reflecting our British electoral system and demonstrating democracy in action.</p> <p>Within our history curriculum, different societies are studied, along with the way in which they governed. These include the Egyptians, Romans, Ancient Greeks (Athens v Sparta) and modern days countries in comparison to the UK.</p>
Individual Liberty	<p>Within school, pupils are actively encouraged to make choices, knowing that they are in a safe and supportive environment. As a school we educate and provide boundaries for our pupils to make choices safely, through the provision of a safe environment and an empowering education.</p> <ul style="list-style-type: none"> <li>• Visitors including the fire brigade and the police</li> <li>• Our pupils are encouraged to know, understand and exercise their rights and personal freedoms and are advised how to exercise these safely, for example: <ul style="list-style-type: none"> <li>• E-safety lessons and ongoing focus during computing lessons.</li> <li>• Whether it is through choice of challenge, how they record, or participation in numerous extra-curricular activities, our pupils have the freedom to make choices.</li> </ul> </li> </ul>
The Rule of Law	<p>The importance of laws whether they are those that govern the class, the school or the country, are consistently reinforced throughout regular school days, as well as when dealing with behaviour</p> <ul style="list-style-type: none"> <li>• School rules are consistently applied, with a clear progression of rewards and consequences.</li> <li>• Visits from authorities such as the Police, Fire Service, etc. are regular and help to reinforce that importance of laws to govern and protect us.</li> </ul>
Mutual Respect	<p>All members of the school community treat each other with respect and pupils understand that respect needs to be shown to everyone, whatever differences we may have. This is reiterated through our School Mission Statement – children, parents, staff and Governors were involved in reviewing and writing this. Annually we revisit the Mission Statement and provide children with a range of opportunities to discuss and explore this. Respect for others is reiterated through our school rules and our behaviour policy. This value underpins our work every day, both in and out of the classroom.</p>
Tolerance of those with Different Faiths & Beliefs	<p>This is achieved through enhancing pupils understanding of their place in a culturally diverse society and by giving them opportunities to experience such diversity. Assemblies and discussions involving prejudices and prejudice-based bullying have been followed and supported by learning in Come and See and through our Agents of Change work with the Equally Safe programme. The Come and See programme provides two opportunities throughout the year to explore the beliefs of other faiths and religions, which include Judaism, Hinduism and Islam, and to explore the similarities to Christianity as well as the differences. This is also addressed through the work we do when focusing on charities such as CAFOD when fundraising and during other class topics which provide opportunities to learn about different cultures, such as in geography when other countries are studied and at Chinese New Year.</p>

Life to the Full (RSE Programme)	<p>We are all God's children and are special</p> <p>We are each unique, with individual gifts, talents and skills. Whilst we all have similarities because we are made in God's image, difference is part of God's plan!</p> <p>That we all have different 'tastes' (likes and dislikes), but also similar needs (to be loved and respected, to be safe etc)</p> <p>About different types of teasing and that all bullying is wrong and unacceptable</p> <p>That being made in His image means being called to be loved and to love others</p> <p>What a community is, and that God calls us to live in</p>	<p>To learn that we are unique, with individual gifts, talents and skills. Girls and boys have been created by God to be both similar and different - these differences are physical, emotional and spiritual and together make up the richness of the human family.</p> <p>That being made in his image means being called to be loved and to love others</p> <p>To know what a community is, and that God calls us to live in community with one another;</p> <p>A scripture illustrating the importance of living in community as a consequence of this;</p>	<p>That we all have different 'tastes' (likes and dislikes), but also similar needs (to be loved and respected, to be safe etc);</p> <p>We are part of God's family;</p> <p>We should love other people in the same way God loves us.</p> <p>That they belong to various communities such as home, school, parish, the wider local community, nation and global community;</p>	<p>Develop a greater awareness of bullying (including cyber-bullying), that all bullying is wrong, and how to respond to bullying;</p> <p>Learn about harassment and exploitation in relationships, including physical and emotional abuse and how to respond.</p> <p>To know that God wants His Church to love and care for others.</p> <p>To devise practical ways of loving and caring for others.</p>		<p>Similarities and differences between people arise as they grow and mature, and that by living and working together ('teamwork') we create community;</p> <p>Pupils will find ways in which they can spread God's love in their community.</p>	<p>Children will know that God is Trinity - a community of persons;</p> <p>Children will know that the Church is the Body of Christ. Children will develop a deeper understanding of Catholic Social Teaching, so that pupils are growing to be:</p> <p>Just, understanding that the way we live has an impact on others locally, nationally and globally</p> <p>Self-giving, able to put aside their own wants for the common good, serving all of humanity and caring for creation</p> <p>Equipped to calmly stand up for their faith, for friends and their community and for victims of injustice</p>

## Personal Development at St Clare's Primary School

	community with one another Some Scripture illustrating the importance of living in a community That they belong to various communities, such as home, school, parish, the wider local area, nation and the global community	Jesus' teaching on who is my neighbour.					
Come and See (RE Programme)		God loves all of us. God takes care of everyone We belong to different groups Recognise that we are all neighbours		Belonging to a group involves promises and rules

## Personal Development at St Clare's Primary School

Protected Characteristics		
	TenTen (RSE Programme)	No Outsiders
Age	The subject of age, and the dignity of the person at all ages, is explored in the unit Life Cycles (All Key Stages, Module 1 Unit 4). Within these lessons, the programme teaches about the natural progress of life, and teaches that death is part of God's plan for us.	EYFS – freedom of choice; it's ok to like different things; you can make friends with different people; all families are different; people in my family are special; everyone is different
Disability	We teach inclusivity, using resources that are mindful of disability diversity representation.	
Gender reassignment	Programme provides foundational language about our core identity as children of God – we promote inclusivity	Year 1 – everyone is different; everyone can play together; no-one should be left out; diversity; working together
Marriage and Civil Partnership	The sessions "Who's Who?" (EYFS Module 2.2.1), "Special People" (KS1 Module 2.2.1) and "Family, Friends and Others" (LKS2 Module 2.2.1) explore different family structures. They provide opportunities for children to share news about their own family structure in a non-judgemental forum and also provide opportunity for discussion the different family structures given in the various stories and scenarios. In the Paradise Street dramas (UKS2 Module 1), various family structures are represented through the characters in the films and there is discussion about specific family structures, such as families with 'two mums and two dads' in "Gifts and Talents" KS2 Module 1.2.1	Year 2 – everyone is different; understanding self-confidence; diversity; being a good friend; sign language; being different and belonging
Pregnancy and Maternity	Pregnancy is explored in age-appropriate ways throughout the primary schools' programme in the unit Life Cycles (All Key Stages, Module 1 Unit 4).	Year 3 – discrimination; not being a bystander; welcoming everyone; age stereotypes; helping outsiders; diversity in Britain
Race	From the outset within the design of the programme, Ten Ten have been mindful of ensuring racial representation in our stories, dramas, appendices, scenarios and imagery.	Year 4 – tackling discrimination; standing up for what is right; being proud of oneself; things we have in common; understanding mental health; showing acceptance
Religion	Every year, on a rolling cycle, two other faiths, outside of Christianity are taught through the Come and See programme. These include Islam, Judaism, Sikhism and Hinduism.	
Sex	In the unit "Me, My Body, My Health" (All Key Stages, Module 1, Unit 2) the discourse about the physical differences between boys and girls is matched by teaching about gender equality and dispelling gender stereotypes.	Year 5 – consequences of actions; justifying actions; responding to racism; showing empathy; friendships; understanding views towards equality across the world
Sexual Orientation	Attraction to the opposite sex is touched upon in UKS2 Module 1 within the 'Paradise Street' series as part of a discussion around emotional changes.	Year 6 – immigration; freedom of speech; overcoming fears about difference; prejudice and challenging racism; democracy
